

which is usually mid to late August; well before the UCSC Fall quarter begins. In addition, you will be required to student teach during some of the UCSC academic breaks. For example, you will take Spring break according to the school district calendar with which you are placed and not during the scheduled UCSC Spring break.

Because school district calendars vary and we will not know your fall placement until mid-August, we cannot answer individual questions regarding the start date for your student teaching or the dates for your Winter break at this time. You will find more information regarding the general schedule for the year posted at the link referenced above. The department will be hosting a New Student Orientation from 4:00-6:00 P.M. on the afternoon of Monday, July 20, 2009 (your first day of classes). Again, we are delighted that you applied to our program and look forward to working with you.

Sincerely,
