Dear MA/Credential Students,

Next week will be a busy week. On **Monday, August 10th**, we will have our Student Teaching Orientation where the *majority* of you will find out your first student teaching placement and meet with your supervisor. We are still awaiting confirmations from some cooperating teachers, but everyone should have a placement by the week your school begins. Please see MA Bulletin #4 for a reminder of times and the location for the MS and SS Orientations. On **Tuesday, August 11th**, Fall Quarter Enrollment opens. Do not try to pre-register-- classes are not open yet. Please review the enclosed enrollment instructions. Since some of your fall courses begin during the Summer Bridge, I also included this schedule so that you could review the days, times and locations. Please note that in some cases, the class times, dates or locations change once the fall quarter begins in order for us to accommodate MA classes in our Humanities/Social Science rooms. Time will be set aside during the Student Teaching Orientation to discuss any questions you may have about the schedules.

Please review all the following attachments that pertain to you:

- 1.) 2009-10 MA Bulletin #4
- 2.) Summer Bridge Schedule: **Sept. 8-23** (MS-Multiple Subjects and SS- Single Subject Schedules)
- 3.) Fall Enrollment Instructions: Multiple Subjects and Single Subject documents are separate.

Single Subject Students: The instructor for EDUC 204: English Development would like an even distribution of students (by subject area) in each section. Therefore, when you enroll for this class, sign-up based on the first letter of your last name.

EDUC 204 Section -01: **Mondays, 2:00-5:00 p.m.**

- English Cohort: A-H
- Science: A-L
- Social Science: A-H
