Dear New MA/Credential Students,

I'm sure that you are all looking forward to beginning this next phase of your educational experience. The first day of the UCSC MA/Credential Program is Monday, July 20th. Please review the attached MA Bulletin #2 with important announcements as well as the summer course schedule with times and locations. Also note that Trish Stoddard's Monday lecture (EDUC. 206) is held in Baskin Engineering Room 152 while her Wednesday sections are in Social Science Room 239 (located near the Educ. Dept. Office).

Our Masters'/Credential Program Orientation will also be held on Monday, July 20th from 4:00-6:00 p.m. in the Humanities Lecture Hall (next to the Humanities/Social Science Building). Students in Gordon Wells' afternoon class will be dismissed a few minutes early in order to arrive on time. During this orientation, you will receive an important introduction to the MA/Credential Program and an overview of the year ahead. There will be a break for refreshments and an opportunity to meet some of the faculty, teacher supervisors and other students. Following the break, you will move into smaller groups for introductions with the teacher supervisors and an opportunity to ask questions about the program.

We look forward to seeing you all on Monday, July 20th.
