T-Shirt Contest - *Don't Miss Out!*

**Submission
Deadline is 4/16
Voting Ends 5/1**

Our t-shirt design contest is now in full swing! An important MA/C tradition is that each MA/C cohort will have an original t-shirt...designed by someone in the cohort! *It could be you!!!*

Please [submit your design here](#) (2 colors only; a background color and a single color for the image) by pasting your name and your image [by April 16, 2023](#). Voting will conclude May 1st!

Everyone gets a free shirt! The design winner receives *THREE* free shirts!

Note that the designs in the past have been yellow on a blue shirt, OR blue on a yellow shirt. These are, of course, the UC colors. However, you can propose other color combinations. Additional colors increase the cost, so one color only. Designs are printed only on the front.

The winning design will be voted on by *all of you!* On May 3 we will call for a vote and select a winner!

CalFresh and Other Campus Resources for Food Security

Below is information below about CalFresh and also about a number of other campus UCSC resources to increase student food security.

While we are happy to say that the UCSC MA/C Program is an approved Calfresh Employee and Training Program, we are devastated and furious that Calfresh is not available to DACA, international and undocumented students. The university asks that if you have DACA, or are an international or undocumented student, that you contact [Slug Support Case Management Program](#) to find other means of getting food assistance (also see below).

Graduate students in the MA/C program also must still meet [CalFresh eligibility](#) requirements (e.g. citizenship and income). The major benefit of the UCSC/MA program being listed as an approved program is that students who are participating in the program will not have to meet the work requirement (typically students must at least work 20 hours or more per week or 80 hours a month on average).

What to add to your CalFresh application:

- 1) Proof of enrollment in the UCSC MA/Credential Program.
- 2) The attached letter stating that the UCSC MA/Credential Program is an approved CalFresh Employee and Training Program.

Camera/Microphone & Tripod Check Out

To reserve equipment, please fill out the [online request form](#).

NOTE: You must be logged into your UCSC Email account to access the form.

Equipment can be picked up in MA/C Program Assistant's office, 2159 McHenry, by appointment. Please email [Matthew Garipay](#) to arrange a time to get your equipment Monday - Friday.

Please limit your use of the equipment to one week if possible, so that all students can have access as needed.

Grad Student Lounge and Mailroom

The Education **Grad Student Lounge and Mailroom** is in McHenry Library Room 2167. The **code** for the door to this room is **008614**. This is a shared space for all Education graduate students, MA/C and PhD. Unfortunately, we have no financial support for the equipment in this room - you will need to troubleshoot any printer issues or pool funds for additional toner cartridges. Since this is a shared space, please clean up after you use it. We thank you for remembering to be respectful of the various needs of all who enter and want to use the room.

The university offers a [Graduate Student Commons](#) located near the bookstore. There are rooms that can be reserved for quiet activity, they have computer equipment for check out, and there are printers. For [more information...](#)

McHenry Library Services

If you haven't had a chance to visit McHenry Library, try to stop by either [virtually](#) or in person. There are some special services and collections that you will want to know about (see below). Remember that you can access electronic journals and databases while on campus and in the library. **Your UCSC photo ID card is your library card – it must be activated at the Library Circulation Desk.** Once your card is activated, the barcode becomes your login for access to electronic journals and article databases from *off* campus and for reserving study rooms online. A few of the services and collections offered:

- Multicultural and Award-Winning Children's Literature Curriculum Collection. McHenry Library an excellent [collection of children's literature](#) located on the fourth floor.
- Computer stations to check email and work on documents (e.g., MS Word).
