RECRUITMENT FAIR

2018

Saturday, March 24

Santa Clara County's Teacher Recruitment Fair is an opportunity for those who seek teaching positions to meet with those who hire teachers. Representatives from school districts and COE charter schools come to this central location for a day of focused interaction with teacher candidates.

Fair features:

- Recruiters to answer your questions about their district's programs and projected position openings
- Credential Specialists to answer questions
- Resource book on Santa Clara County school districts and COE charter schools
- On-site interviews

Who should attend?

Teacher candidates who

- have a California Preliminary or Professional Clear teaching credential; or
- will have a credential by fall 2018; or
- have a credential from outside California; or
- have at least one year of experience in a teaching intern program.

School districts and charter schools in Santa Clara County

Each district and charter school hires its own teachers. Information is available at www.sccoe.org or www.edjoin.org

What if I do not have a teaching credential?

This fair is designed for credentialed candidates. For information on becoming a teacher and teacher credentialing in California visit www.ctc.ca.gov

Tips for success

- Come prepared. Bring multiple copies of your letter of introduction, resume, letters of recommendation and copies of your credentials as recruiters will not have access during the fair to materials you submitted online.
- Develop a plan of action which gives you confidence and sets you apart from the crowd.
- Keep yourself and your materials neat and streamlined; don't carry too much.
- If the interview line seems long, move along to another school district. You can always come back later.

- Research before the fair. Know what the districts are searching for and how you can fill that need.
- Establish eye contact, present a firm handshake, introduce yourself and explain why you are interested in speaking with a recruiter.
- Conduct yourself professionally at all times. Remember that you are on stage even as you stand in line or move about the interview area.

Why teach in Santa Clara County?
