CalFresh and Other Campus Resources for Food Security

Below is information about CalFresh and also about a number of other campus UCSC resources to increase student food security.

While we are happy to say that the UCSC MA/C Program is an approved CalFresh Employee and Training Program, we are devastated and furious that CalFresh is not available to DACA, international and undocumented students. The university asks that if you have DACA, or are an international or undocumented student, that you contact Slug Support Case Management Program to find other means of getting food assistance (also see below).

Graduate students in the MA/C program also must still meet CalFresh eligibility requirements (e.g. citizenship and income). The major benefit of the UCSC/MA program being listed as an approved program is that students who are participating in the program will not have to meet the work requirement (typically students must at least work 20 hours or more per week or 80 hours a month on average).

What to add to your CalFresh application:
1) Proof of enrollment in the UCSC MA/Credential Program.
2) The attached letter stating that the UCSC MA/Credential Program is an approved CalFresh Employee and Training Program.
Grad Student Lounge and Mailroom

The Education Grad Student Lounge and Mailroom is in McHenry Library Room 2167. The handle on the door has been changed and you now need your student ID to enter the lounge. This is a shared space for all Education graduate students, MA/C and PhD. Unfortunately, we have no financial support for the equipment in this room - you will need to troubleshoot any printer issues or pool funds for additional toner cartridges. Since this is a shared space, please clean up after you use it. We thank you for remembering to be respectful of the various needs of all who enter and want to use the room.

The university offers a Graduate Student Commons located near the bookstore. There are rooms that can be reserved for quiet activity, they have computer equipment for check out, and there are printers. For more information...
McHenry Library Services

If you haven’t had a chance to visit McHenry Library, try to stop by either virtually or in person. There are some special services and collections that you will want to know about (see below). Remember that you can access electronic journals and databases while on campus and in the library. Your UCSC photo ID card is your library card — it must be activated at the Library Circulation Desk. Once your card is activated, the barcode becomes your login for access to electronic journals and article databases from off campus and for reserving study rooms online. A few of the services and collections offered:

- Multicultural and Award-Winning Children's Literature Curriculum Collection. McHenry Library an excellent collection of children's literature located on the fourth floor.

- Computer stations to check email and work on documents (e.g., MS Word).

- Laptop checkout—Mac or PC—for temporary use.

- Study rooms for approximately seven people, some with display screens you can connect to your laptop. Reserve online.

- Media Center (on the first floor) has a wide variety of DVDs and CDs for checkout. There are also individual and group listening and viewing rooms.

***Food and drink are allowed in the library following these guidelines: “Think snack and wrapped items; avoid foods that have a strong smell or are messy; use covered drinks; leave your area clean and report any spills.”
