CalFresh and Other Campus Resources for Food Security

Below is information below about CalFresh and also about a number of other campus UCSC resources to increase student food security.

While we are happy to say that the UCSC MA/C Program is an approved Calfresh Employee and Training Program, we are devastated and furious that Calfresh is not available to DACA, international and undocumented students. The university asks that if you have DACA, or are an international or undocumented student, that you contact [Slug Support Case Management Program](#) to find other means of getting food assistance (also see below).

Graduate students in the MA/C program also must still meet [CalFresh eligibility](#) requirements (e.g. citizenship and income). The major benefit of the UCSC/MA program being listed as an approved program is that students who are participating in the program will not have to meet the work requirement (typically students must at least work 20 hours or more per week or 80 hours a month on average).

What to add to your CalFresh application:

- 1) Proof of enrollment in the UCSC MA/Credential Program.
- 2) The attached letter stating that the UCSC MA/Credential Program is an approved CalFresh Employee and Training Program.

Grad Student Lounge and Mailroom

The Education **Grad Student Lounge and Mailroom** is in McHenry Library Room 2167. **The handle on the door has been changed and you now need your student ID to enter the lounge.** This is a shared space for all Education graduate students, MA/C and PhD. Unfortunately, we have no financial support for the equipment in this room - you will need to troubleshoot any printer issues or pool funds for additional toner cartridges. Since this is a shared space, please clean up after you use it. We thank you for remembering to be respectful of the various needs of all who enter and want to use the room.

The university offers a [Graduate Student Commons](#) located near the bookstore. There are rooms that can be reserved for quiet activity, they have computer equipment for check out, and there are printers. For [more information...](#)
