# Fall Quarter Teacher Performance Expectations (TPE) Window November 4 - December 17

Each quarter you will complete a self-assessment on the Teacher Performance Expectations (TPEs) using the ***TPE Developmental Continuum***. You will upload your self-assessment ratings into a Google Form using a link emailed to you by Matthew (see next slide for an example).

**Your supervisor** will provide a copy of the ***Continuum***, and arrange a time for a TPE conference each quarter with you, your CT, and the supervisor to discuss TPE ratings from you, your CT, and your supervisors.

You will receive an email from Matthew (see sample email on next slide) in early November asking you to upload your TPE Fall **ratings**. This is a requirement so we have it in our records. Please fill out the ***Google Form electronic version*** linked in the email from Matthew, even if you have already filled out a paper or electronic copy with your supervisor.

You'll have to do this three times for the Fall, Winter, and Spring quarters. An example email will be on the next page so you know what to look for.

# CalFresh and Other Campus Resources for Food Security

Below is information below about CalFresh and also about a number of other campus UCSC resources to increase student food security.

While we are happy to say that the UCSC MA/C Program is an approved Calfresh Employee and Training Program, we are devastated and furious that Calfresh is not available to DACA, international and undocumented students. The university asks that if you have DACA, or are an international or undocumented student, that you contact [Slug Support Case Management Program](#) to find other means of getting food assistance (also see below).

Graduate students in the MA/C program also must still meet [CalFresh eligibility](#) requirements (e.g. citizenship and income). The major benefit of the UCSC/MA program being listed as an approved program is that students who are participating in the program will not have to meet the work requirement (typically students must at least work 20 hours or more per week or 80 hours a month on average).

## What to add to your CalFresh application:

- 1) Proof of enrollment in the UCSC MA/Credential Program.
- 2) [The attached letter stating that the UCSC MA/Credential Program is an approved CalFresh Employee and Training Program.](#)

# Grad Student Lounge and Mailroom

The Education **Grad Student Lounge and Mailroom** is in McHenry Library Room 2167. **Access to the Grad Lounge is with your UCSC Grad ID and a unique PIN that you will receive via email - please note that the door is glitchy and that students report that they have had to attempt to open the door multiple times until it finally opens.** This is a shared space for all Education graduate students, MA/C and PhD. Unfortunately, there is no financial support for the equipment in this room - please troubleshoot any printer issues and pool funds for additional toner cartridges. Since this is a shared space, please clean up after you use it. We thank you for remembering to be respectful of the various needs of all who enter and want to use the room.

The university offers a [Graduate Student Commons](#) located near the bookstore. There are rooms that can be reserved for quiet activity, they have computer equipment for check out, and there are printers. For [more information...](#)

# Grad Student Lounge and Mailroom

We apologize for the door lock challenges!

Tips from Education Department Office Manager, Rondi:

1. Press the CL key
2. Then hold the ID card up in front of the lock and the light on the omni lock turns green.
3. Immediately punch in the code and
4. lift slightly on the handle and then firmly press down as you push door open.
5. If the handle goes all the way down and the door doesn't open, lift the handle slightly and shove it open.

Please let us know if this helps!

If you cannot open the door, and if Matthew or a student assistant is in the office, they can let you in using a key.

# McHenry Library Services

If you haven't had a chance to visit McHenry Library, try to stop by either [virtually](#) or in person. There are some special services and collections that you will want to know about (see below). Remember that you can access electronic journals and databases while on campus and in the library. **Your UCSC photo ID card is your library card – it must be activated at the Library Circulation Desk.** Once your card is activated, the barcode becomes your login for access to electronic journals and article databases from *off* campus and for reserving study rooms online. A few of the services and collections offered:

- Computer stations to check email and work on documents (e.g., MS Word).

- Laptop checkout—Mac or PC—for temporary use.

- Study rooms for approximately seven people, some with display screens you can connect to your laptop. [Reserve](#) online.

- Media Center (on the first floor) has a wide variety of DVDs and CDs for checkout. There are also individual and group listening and viewing rooms.

**\*\*\*Food and drink are allowed in the library following these guidelines:**  
“Think snack and wrapped items; avoid foods that have a strong smell or are messy; use covered drinks; leave your area clean and report any spills.”
