

# PES 2022 Conference

## Theme: Philosophy (of Education) in Contact Zones

Ron Glass, PES President, gave a powerful presidential address on Sunday morning entitled "*Living the Dream of Martin Luther King Jr.: A Philosophy of Education*" in which he discussed anti-Blackness and other forms of oppression in education and then argued that it is the role of philosophers of education to work in solidarity with communities in creating more transformative alternatives.

Ron Glass

Audience members including Ron's three children and grandchild.
